Attachments: pages 2&3 of 3

A copy of the Unofficial Communication from Candelas.(Courtesy of Shaping Associates, Boulder, CO) is handed to (CANDELAS) Visitors and Purchasers, reassuring them it is (SAFE), on the (RFPS), **(THESE DOCUMENTS INCLUDE an OPPORTUNITY to do YOUR OWN RESEARCH) at THE (OFFICIAL SITES), (PREPARED by (THESE EXPERTS), WWW. (:RAISES A RED FLAG:)**

PURCHASING a New HOME at the, (CANDELAS COMMUNITY), Requires that you Sign a 6 page Document called (CONTIGOUS AREA REPORT),and have it (NOTORIZED), stating you have read, Acknowledged and Agreed to the Content, (Please Note), these documents given to purchasers, give (ONLY ONE OPTION to ACKNOWLEDGE & AGREE to the CONTENT and SIGN IT, you have the right to (DISAGREE) to any of its content, this (CERTAINLY, RAISES (:ANOTHER RED FLAG:).(Please Note), This, is (Managed by our (EXPERTS).

Based on Available Records of the Past History of the (RFPS), and credible (Documented), available records of the, (Illegal) Disposal of (TOXIC) and (HAZARDOUS), (MIXED WASTE). 4 Major Contractors, (DOW Chemical) (Rockwell International) (EG&G) and Kaiser Hill, (EXPERTS, (ALLOWED) these Contractors to (Illegally) Dispose of the Toxic and Hazardous (CONTAMINATION) of MIXED WASTE, as they pleased, and the (EXPERTS) that are Currently in Control, Continue Allowing the Contamination to exist and Remain on and Below the Surface, at the (RFPS). Maintaining that it Was and Continues to Be (SAFE), for Public Access, The (EXPERTS), Told Workers they were (SAFE) throughout the history of (RFPS) yet as a result of their exposures, many of the Employees Became Ill years after their employment began.

Throughout the Operational years, and Clean Up, the (EXPERTS) expressed to the Employees, and Visitors, that were Exposed to the Hazardous Waste at that time in those areas, that there were (NO) REQUIREMENTS TO (WEAR) (PROPER PROTECTIVE EQUIPMENT) (PPE),

The (Contaminated)(SOIL) on the (RFPS), (EXPERTS), Continue Their attempt to (RE EDUCATE), Citizens and Visitors in the State of Colorado That the (RFPS) is (SAFE) for Public Access.

(IN THE BEST INTEREST OF THE FUTURE GENERATIONS HEALTH), in the (STATE of CO.) (WE RECOMMEND BASED ON THE HISTORY OF CONTAMINATION ALLOWED ON (RFPS) (NO VISITORS or PUBLIC ACCESS TO BE ALLOWED ON ROCKY FLATS PLANT SITE (RFPS)
